

Contest Information

The annual University of Arkansas High School Programming Contest, hosted by the Department of Computer Science and Computer Engineering and sponsored by Acxiom and the U of A student chapter of ACM will be held on **March 11, 2017**.

The 2017 University of Arkansas High School Programming Contest brings talented students to campus for an exciting problem solving and programming event. Our problems will challenge the competitors to use their problem solving abilities and programming skills in the C, C++, or Java programming languages.

The event will be held at the University of Arkansas, Fayetteville campus on March 10, 2018 from 9:00am – 3:00pm. The registration deadline is February 7, 2018. There is no cost to attend! A continental breakfast and pizza lunch will be provided. There will be prizes awarded!

Registration is closed. Teams are to be made up of 2 – 3 students. More than two teams per school will be approved as space allows. You are required to register at least one coach per school.

KNWA covered the event last year. You can read the article at the following link: **KNWA article** .

We are looking forward to seeing everyone next year!
